

**PROCEEDINGS OF THE BROWN COUNTY**  
**PUBLIC SAFETY COMMITTEE**

Pursuant to Section 19.84 Wis. Stats., a regular meeting of the **Brown County Public Safety Committee** was held on Thursday, October 21, 2010 in Room 200 of the Northern Building – 305 East Walnut Street, Green Bay, WI

---

**Present:** Tom DeWane, Tim Carpenter, Dave Kaster, Andy Nicholson, Patrick Buckley  
**Also Present:** Supervisors Andrews, Fleck, LaViolette, Moynihan Jr., Schuller, Scray, Wetzel, Executive Hinz, Judge McKay, Lisa Wilson, D.A. Zakowski, Susan Tilot, Al Klimek, Cullen Peltier, Karl Fleury, Shelly Nackers, Dennis Kocken, Don Heim, Debbie Klarkowski, Carolyn Maricque, Sara Perrizo, Andrea Konrath, Ellen Sorenson.

---

**I. Call Meeting to Order:**

The meeting was called to order by Chairman Tom DeWane at 5:04 p.m.

**II Approve/Modify Agenda:**

**Motion made by Supervisor Carpenter and seconded by Supervisor Nicholson to approve the agenda. Vote taken. MOTION APPROVED UNANIMOUSLY**

**III. Approve/Modify Minutes of October 6, 2010:**

**Motion made by Supervisor Nicholson and seconded by Supervisor Carpenter to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

**1. Review Minutes and Reports of:**

a. Criminal Justice Coordinating Board (September 28, 2010):

**Motion made by Supervisor Nicholson and seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION APPROVED UNANIMOUSLY**

**NON-BUDGET ITEMS**

**Public Safety Communications**

3. **Grant Application Review (#10-23): PSC – Emergency Management – Hazardous Materials Emergency Preparedness Grant (HMEP) – 2011.**

**Motion made by Supervisor Nicholson and seconded by Supervisor Carpenter to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

4. **Budget Adjustment Request (#10-105): Increase in expenses with offsetting increase in revenue.**

**Motion made by Supervisor Nicholson and seconded by Supervisor Kaster to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

**Sheriff**

5. **Resolution re: 2011 County-Tribal Law Enforcement Grant.**

Sheriff Kocken stated that this was a grant that had been around for many years with the Oneida tribe where they split the \$40,242 right down the middle.

**Motion made by Supervisor Nicholson and seconded by Supervisor Carpenter to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

**District Attorney**

**6. Subsequent Offender Numbers per the Communication of Supervisor Nicholson.**

District Attorney John Zakowski and Administrative Supervisor Susan Tilot were present. Tilot provided the committee with handouts, (attached) re: Public & Housing Assistance Fraud Cases as well as Criminal Drug Charges Filed, and stated that a few months ago Supervisor Nicholson had asked for a report concerning the felony offenders of drug cases and how it corresponded with public assistance. She stated they went back to 2008 and went through all the felony cases, subsequent offenders and what branches they were and what they received as sentences. She stated the info provided was not a whole entire year but a good majority due to the time factor.

Nicholson thanked Tilot for the work and information and asked to postpone this item so the committee could look over the info provided.

**Motion made by Supervisor Nicholson and seconded by Supervisor Kaster to postpone for one month. Vote taken. MOTION APPROVED UNANIMOUSLY**

**Circuit Courts**

**7. Budget Status Financial Report for August, 2010.**

**Motion made by Supervisor Carpenter and seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION APPROVED UNANIMOUSLY**

**\*\*BUDGET REVIEW\*\***

**REVIEW OF 2011 DEPARTMENT BUDGETS**

**8. Circuit Courts/Clerk of Courts: Review of 2011 department budget.**

Judge J.D. McKay and Clerk of Courts Lisa Wilson, were present to address their 2011 budget. McKay stated they were provided with a levy limit and they had sat down and went through item by item and prepared a budget that came in under the levy. He stated he didn't know of anything they could cut. Nicholson questioned if their budget had increased or decreased compared to last year. McKay responded that the budget as he understood was consistent with the levy limit proposed and the estimated 2010 actuals are coming in at the estimated amount. Last year's budget looks to be slightly larger by \$30,000, so it would be an actual reduction in the gross dollars. Internal Auditor Sara Perrizo stated that the whole court system showed a reduction of \$229,382, the levy is down \$234,000.

**Motion made by Supervisor Nicholson and seconded by Supervisor Carpenter to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

*Supervisor Buckley arrived at 5:16 p.m.*

**9. District Attorney: Review of 2011 department budget.**

District Attorney John Zakowski and Administrative Supervisor, Susan Tilot, addressed the 2011 department budget. Zakowski stated that they had no comments at this time regarding the budget. He felt the Executive's office had been understanding in terms of what their needs had been. Zakowski stated that the staff had spoken about the budget and believed it is reasonable. They continued to adjust procedures in the office to keep costs down such as paper service, witness notification, etc. With regards to possible expenses in the future, you never know what is coming down the pipe.

Supervisor Kaster referred to page 93 of the budget book and questioned the \$6,300

under Asst D.A.'s. Tilot responded that back in 1990 their attorneys were considered county employees but became state employees and at that time they had the option to elect state or county benefits and one pager/on-call attorney remains on county benefits.

Supervisor Nicholson questioned payment to the co-op student/student intern positions. Tilot responded that they do have three interns at this time. The money budgeted is divided among the three interns and one co-op student. Their hours are budgeted according to how much money the department has. Tilot added that they do seek out and often have two unpaid interns in the office. The paid interns are there on a regular basis, they know the routine and help out immensely with paperwork and are able to fill in for file clerk or receptionist, etc. The office works hard with the NWTC paralegal program to get unpaid interns and they had recently been contacted by Lawrence University as well. Their two interns are currently from UWGB. Zakowski added that they used to have more co-ops but found interns to be more useful to the office because they were around longer for college they could continue to utilize them as they became more familiar with the office. They had more experience and were more productive. Tilot added that their course of education was also related to what goes on in the D.A.'s office.

Supervisor Nicholson questioned the difference in the budget from last year to this year, Perrizo responded that it was an increase of \$38,000.

**Motion made by Supervisor Carpenter and seconded by Supervisor Buckley to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

10. **Medical Examiner:** Review of 2011 department budget.

Medical Examiner Al Klimek informed that they had met the 5% reduction on the tax levy primarily from the reduction of the amount of money needed for autopsies. It had been over-budgeted for the last couple of years because they had been handling business internally; their staff is more trained and they had less need. They also compared their fees to that of the top populous counties in the State of Wisconsin, they had not changed their fees in about five years, and found out that they were below where they were at which resulted in additional revenue. Their expenditures went down \$17,000 from last year and an increase in revenue which results in a reduction in the tax levy of \$63,596.

Executive Hinz explained that he questioned how a countywide evidence team would impact the medical examiner's office in which Klimek responded that it would make things easier with consistencies. Klimek added standardization, because they deal with so many different law enforcement agencies within Brown County and Oconto, everyone has a different way of doing things. So there are inconsistencies that need to be worked through. If it was standardized with one team and it would work well, then the medical examiner's office would be supportive of that. De Wane suggested placing this discussion on an upcoming Public Safety agenda.

**Motion made by Supervisor Nicholson and seconded by Supervisor Carpenter to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

11. **Public Safety Communications:** Review of 2011 department budget.

Public Safety Communications Director Karl Fleury and Communications Manager Shelly Nackers addressed the 2011 department budget. Fleury noted that the budget was in place before he had been hired on as the Director. One concern he had was that the Radio Communication Specialist position for 2011 was removed from the budget. In 2012 there are plans to have the position added back, which will add a substantial increase to their departments budget.

De Wane questioned if a Public Safety Communications Operator position had been

eliminated. Perrizo responded that they were all funded in the budget. De Wane stated that he had heard that it had been proposed to eliminate one position. He noted his opposition to eliminating a position because safety is his number one concern as well as overtime.

Discussions ensued with regards to staff and how it's calculated to tell how employees are needed. Fleury stated that HR had done a study with regards to the merger of Ashwaubenon. He stated they did an internal study and came up with higher numbers. In the radio project, part of the process is a component that he'd like to see happen. It's a study done because of the changes in the way of doing business. A consultant would conduct a study to see what it will take to staff the center so they can actually have the numbers in place and know what they are dealing with in planning ahead. Buckley felt that with bringing on Ashwaubenon there should be more of a need for staff. Fleury added that when talking about removing positions the cost of overtime increases. He gave a brief example of how they pull personnel from the call-taker positions to fill in for other duties and stated they are doing more with less.

Fleury's thought process is that at some point in time they should take a look at if there is a way to have a dispatch where the calls come in, call taker takes the call and ship to dispatchers and the dispatcher would be able to send it to anywhere within the county. A consultant could see if there would be efficiencies for all municipalities to come into some type of agreement between police and fire and how that service would work. They would come up with a format of how to answer the calls and how to dispatch the calls for service, in zones, etc. You have to make sure that you can provide an adequate service for all the users. You have to be efficient and you have to be safe. It may not be the route to take but you can't be close-minded.

Executive Hinz stated that it would be his recommendation to keep the 6.5 staff members in the budget. With the new system they have increase capacity to monitor more and the equipment is useless if they have no one to monitor.

Supervisor Moynihan stated that with regards to Chairman Zima's alternative to having 5.5 staff verses the 6.5, he reminded the committee that the County Board had accepted an Intergovernmental agreement between the Village of Ashwaubenon and the County of Brown.

With regards to the maintenance agreement for the software, Fleury stated that he planned to look to see if they could enter into a longer term agreement instead of year to year. He'd like to see what a 2-3 year would price out at hoping to save some money. Carpenter noted his concern with the \$80,000 increase from the maintenance agreement software and repairs and maintenance equipment, Nackers responded that they had gotten off the FoxComm CAD system and onto their own at Brown County. There was a certain number of months that were covered as part of going back on their own CAD system by Motorola. In October 2009 they went on their own so until October of this year they were covered under a one year range period that you don't get charged maintenance because they purchased the new software. October 2010 starts a new agreement so that next year it will be a full year that they will be charged. GenWatch is a software program that manages the radio system. When a new officer comes on the radio it's configured in the system. If someone pushes an emergency button it identifies that officer and it tracks all radio communications. It identifies who and when and manages the system. The software was obtained through the Sprint/Nextel rebanding project. It didn't cost the county anything. It's a new item that went on to maintenance and was a \$300,000 program that they got through the rebanding.

Discussions ensued with regards to the list of budget solution ideas from the County Executive and County Board Chair for a possible reduction of anticipated borrowing of \$2,000,000 for the radio interoperability project. Fleury stated that the \$7 million is what

they believe they will need to continue with the project. There is no guarantee what the bids will come back as, they may come back as less, but could come back as more. He felt that with speaking with Executive Hinz, who is supportive of the project, he will make sure that those funds are available. Hinz stated that Fleury was right on, they have one opportunity to do this right. If the bids came back and they needed additional funding they could do another bonding opportunity or go out to the general fund. Hinz doesn't believe they are taking a big chance; the ball park amount was already bonded for. Scray interjected that the \$2 million would have to do with the eminent domain process and how long it would take to get the property purchased, etc. Board Attorney Mohr explained to her that it may take up to a year between the appeals process and the "to dos" before it can be declared an eminent domain. Perrizo added that at the initial meeting Zima's intension was that it could take 3, 6 or 9 months and they could delay the \$2 million if necessary into 2012.

Hinz made a recommendation to go back to the state to get the \$.75 surcharge back. He suggested going back to County Board and drafting a resolution requesting those funds back. It's over a half a million dollars a year that the county is not getting. De Wane asked if Hinz could get that process started, he agreed.

De Wane asked that it be noted that Supervisor Kaster made a recommendation to have the Administration Committee postpone the borrowing of \$2 million dollars for the radio interoperability project since the bonding is not on this agenda.

Hinz stated that during the budget process they also identified that \$7,500-\$8,000 was being spent staffing during special events and Packer games and stated any events that require extra staffing will be billed for this service.

**Motion made by Supervisor Buckley and seconded by Supervisor De Wane to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

12. **Sheriff: Review of 2011 department budget.**

Sheriff Dennis Kocken, Accountant Don Hein, Drug Task Force Lt. David Poteat and Jail Captain Capt. Larry Malcomson were present to address the 2011 department budget.

**Motion made by Supervisor Kaster and seconded by Supervisor Carpenter to eliminate one Warrants/TRO Clerk at a cost savings of \$53,645. Vote taken.  
MOTION APPROVED UNANIMOUSLY**

Kocken informed that they were looking at increasing the Tribal grant. It was budgeted at \$36,000 and found out recently that it will be \$40,242. It will add \$4,242 to their revenue and \$2,121 for the grant expenditures since they share that grant with the Oneida Tribe. It will increase their grant expenditures on pg. 119 to \$20,121.

**Motion made by Supervisor Nicholson and seconded by Supervisor Kaster to approve the additional \$2,121. Vote taken. MOTION APPROVED UNANIMOUSLY**

With the purchase of S&L, the Sheriff recommends that they cut their rental costs in half. A brief discussion ensued with regards to proposed timeline from Facility Manager Bill Dowell of the possible move in dates of S&L. Perrizo noted that the savings won't start until they are moved into the building; the savings were projected when it was thought that they would be moved in by late late spring.

**Motion made by Supervisor Nicholson and seconded by Supervisor Kaster to take \$11,000 out of the operating expenses. Vote taken. Ayes: 4 (De Wane, Nicholson, Kaster, Carpenter). Nays: 1 (Buckley). MOTION APPROVED 4-1**

Sheriff Kocken stated that one thing that was missed, in which he thought IS was taking care of, was the \$10,030 for the Crime Mapping program under the Maintenance agreement Software. This is a joint effort with the Green Bay Police and it was an oversight that it was not included in the budget.

**Motion made by Supervisor Carpenter and seconded by Supervisor De Wane to add \$10,030 for the Maintenance agreement Software for Crime Mapping. Vote taken. Ayes: 3 (De Wane, Carpenter, Buckley). Nays: 2 (Kaster, Nicholson).**

**MOTION APPROVED 3-2**

A lengthy discussion ensued with regards to a (DTF) Drug Task Force Officer position. Kocken noted that a DTF officer had been eliminated from the budget. Hinz stated that he's not saying that they don't need the position and believe they do a great job but it was a fairness issue. The county should not fund, they currently fund 84% of the cost of the DTF and spend over \$1.4 million dollars and it all should be funded equally. He further discussed reasons of why he was not in support of adding the position back in.

Buckley responded that years ago the DTF was used as a model across the state. Brown County is very successful and believed the county should pay for all the costs of the DTF. Hinz stated that when the DTF was put together it was never the intention for the county to absorb all costs. Burn grants had greatly been reduced costs over the years and the county had absorbed those costs. Nicholson agreed and felt that the county should worry about the importance of what the DTF does for the county and not the costs or who should pay for it.

Kaster agreed with the Executives original thought, at this time he would not agree to the motion. He had had conversations with a number of supervisors that will not vote for this budget if it's a penny over the levy. Somewhere down the line they are going to need to make some tough cuts. He understood the importance of the DTF but something somewhere had to go.

**Motion made by Supervisor Buckley and seconded by Supervisor Nicholson to add one Drug Task Force Officer back in the budget at \$125,000. Vote taken. Ayes: 4 (Buckley, Nicholson, De Wane, Carpenter); Nays: 1 (Kaster). MOTION APPROVED**

Sheriff Kocken stated that in speaking with Lt. David Poteat they feel comfortable reducing the buy money by \$20,000.

**Motion made by Supervisor Nicholson and seconded by Supervisor Buckley to reduce the buy money by \$20,000. Vote taken. MOTION APPROVED UNANIMOUSLY**

Kocken stated they could increase the SCAAP funds which are paid by the federal government grant by \$8,500. Hein clarified for budgetary purposes, they are increasing federal grant revenue by \$10,000 but are also increasing professional contracted services in anticipation of the paperwork that the contract company does for them by \$1,500.

**Motion made by Supervisor Nicholson and seconded by Supervisor Buckley to add \$10,000 in SCAAP funds and adding \$1,500 in expense, therefore reducing the levy by \$8,500. Vote taken. MOTION APPROVED UNANIMOUSLY**

Carpenter questioned the amount of money budgeted for overtime, he noted that there was a huge decrease when comparing the 2009 actual amount and the 2010 estimated amount and felt they could easily reduce the amount budgeted stating he couldn't fathom that they needed the \$1,700,132 for 2010. Kocken responded that the main reason they were able to keep the overtime low is because they had a pod at the jail closed. They are

right at the point of opening that pod and once it is opened basically their overtime will increase. Carpenter felt that could decrease those funds from line item Supplies. He stated it didn't make sense when looking at proportions. Hein responded that supplies the supplies amount did not change and was almost a flat. 2011 has a certain amount of items that are grant funded or there are supplies they know they need in certain areas. They tried to tear that back as best as possible. Hein stated it can sometimes be used as a catchall for a lot of things at the jail. Sheriff suggested cutting the amount of supplies from \$272,474 to \$250,000.

**Motion made by Supervisor Carpenter and seconded by Supervisor Nicholson to take \$22,474 out of Supplies. Vote taken. MOTION CARRIED UNANIMOUSLY**

De Wane informed that even though they plan to take out the \$100,000 out of premium overtime, if they do open the pod and end up having issues covering costs for overtime the Sheriff's Department will come back and ask for assistance. It looks good on paper but do not be surprised about the numbers at next year's budget.

Perrizo stated that \$7,450 will have to be taken out as well due to fringes.

**Motion made by Supervisor Carpenter and seconded by Supervisor Nicholson to take \$107,450 out of Premium Overtime. Vote taken. MOTION CARRIED UNANIMOUSLY**

Supervisor Buckley requested that information be provided with regards to travel and training before the upcoming budget meeting.

A brief discussion ensued with regards to squad cars, Supervisor Scray questioned if they could cut the number of cars by half. Buckley assured that they will end up spending more money to upgrade or replace cars and will save money in the long run with replacing them with new cars.

*Supervisor Nicholson excused at 7:30 p.m.*

**Motion made by Supervisor Carpenter and seconded by Supervisor Buckley to approve the amended 2011 Sheriff's Department budget. Vote taken. MOTION APPROVED UNANIMOUSLY**

**Other**

13. **Audit of bills.**

**Motion made by Supervisor Carpenter and seconded by Supervisor Kaster to approve. Vote taken. MOTION APPROVED UNANIMOUSLY**

14. **Such other matters as authorized by law.**

**Motion made by Supervisor Carpenter and seconded by Supervisor Kaster to adjourn at 7:38 p.m. MOTION APPROVED UNANIMOUSLY**

Respectfully submitted,

Alicia A. Loehlein  
Recording Secretary
